Photography: Rachel Collet

Location: New York Showroom

Features: Lacanche Matte Black Sully (shown with French Traditional Plate and Portable Griddle)

Art Culinaire, sole distributor of Lacanthe Ranges in the US, welcomes you to explore these handcrafted masterpieces. Built in the heart of Burgundy, France, Lacanthe Ranges offer the highest expression of culinary arts to both cooking enthusiast and professional chef alike. Blending exquisite French artistry with a long tradition of craftsmanship in metal, *Les Pianos Gastronomes* have fulfilled an unwavering caliber of culinary excellence for over 250 years. Unparalleled in its commitment to the spirit of French culture, Lacanthe brings long-standing heritage to the home and the family back to the table.

Designing Your Lacanthe

Combining the durability of porcelain enamel, stainless steel and cast iron, Lacanthe Ranges may be customized in color, finish and configuration. Standard heights are 36" and 36 5/8", with more height options available upon special request.

Range & Collection

Classique or Moderne

Rangetop Configuration

Classique, Classique 4-Feux, or Traditional

Accessory & Optional Burner

Dependent on range model and size

Oven Configuration (Gas or Electric)

- Dependent on the specific range model, ovens may be configured for either gas or electric standard/convection, including dual fuel. Electric Convection Ovens have a toggle switch allowing for the versatility of using either convection or regular static electric.
- Vertical warming cupboards utilize an electric heat source, with a temperature range of 80-250° F.
- Please note, gas ovens do not have broilers.

Color & Trim

- Please see p. 16 for both Classique & Moderne Collection trim finishes.
 - Please see p. 17 for porcelain enamel color collection.
- Note: any deviation from the signature black & brass combination will warrant a premium charge.

Shipping Types & Lead Times

- **Sea freight** - The standard international shipping method.
- **Air freight** - A secondary method, available upon request at a premium cost. Reduces lead time by approximately one month. *All freight is subject to change. Please contact us directly for lead times.*

Lacanthe Hoods And Backsplashes (pictured on front cover)

Art Culinaire is pleased to announce Lacanthe hoods and backsplashes with a pot/utensil rail. These wall-mounted handcrafted hoods are designed to harmonize with the aesthetics of the Classic and Moderne ranges and deliver optimal performance. Range and hood together make a seamless statement from floor to ceiling. Please contact us for more information and/or a hood brochure.

General Information

Underwriters Laboratories (UL) listing

All Lacanche models described in this resource are specially made for U.S. requirements and carry a UL listing for zero-clearance installation next to cabinetry. Lacanche ranges are approved for use in a residential installation.

Please verify code compliance with local authorities before installing a custom range, as codes and permits vary among states and municipalities.

Ordering Process

Lacanche ranges are handmade to your specifications by Burgundy artisans. This unique, old world manufacturing practice distinguishes Lacanche from other mass produced units. Because each stove is custom built, a 40% deposit is required at the time the order is placed.

Due to the custom nature of each order, deposits are non-refundable.

Customer may be liable for additional charges if changes are made after their order has been registered with the factory. The balance is due when the stove is released from the factory for shipment. Review sales order for exact details.

Shipping and Installation

Lacanche ranges are shipped directly from France. Shipping charges include: air freight or sea freight, crating, insurance, customs and lift gate delivery to your driveway. Installation should be handled by a local qualified professional.

Power and Fuel

This product will operate on 208–240 volts* (please refer to our technical pages for further information). Ranges are available in natural gas or liquid propane. High altitude installations may require special injectors. Please note high altitude requirements (5,000 feet and above) upon ordering. **For lower voltage needs, please call.*

Warranty

Art Culinaire believes in the function and performance of each Lacanche range. The service warranty supports the current product owner and guarantees that their range is free of manufacturing defects in materials and workmanship for a period of 3 years from the final product delivery. Liability shall be limited to replacement of defective parts and corresponding labor required within the warranty period.

Service and Parts

Art Culinaire has an established National Service Network for Lacanche ranges. Most parts are stocked in one of our two U.S. warehouses and available to registered Lacanche owners by UPS or Fed Ex delivery. For service, installation, or part inquiries, call us toll free at: 1.888.222.2930 or visit frenchranges.com/support.

Technical Questions

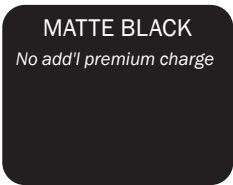

For any service questions or issues, please visit our technical support website at www.frenchranges.com/support where you will find user manuals, installation guides, videos and more. For additional questions, please contact our Service Department at 1.888.222.2930.

Premium Colors

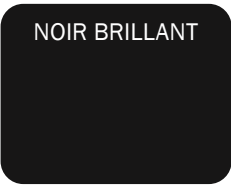

Slight color variances are to be expected given the properties of porcelain enamel. Awaiting range delivery is recommended for most accurate color-matching ability.

SIGNATURE

RESERVE

*Stainless Steel Ranges: The control panel and the ventilation strip are polished horizontally whereas the range body is polished vertically causing a slight grain variance.
